

Technical Rider - Tokamak Reaktor

Food + Drinks

We need 2 warm meals (vegan/vegetarian) + 2 x 1 liter water bottles before the show. It would be great, if each of us could get 1 or 2 drinks after the show.

Microphones:

Bassdrum
Snaredrum
Side Snaredrum
Tom1
Tom2
Tom3
Hi-Hat
Overhead left / right
2 x Vocal (including 2 stands with long folding arm)

DI Boxes:

Sampler:

2 x DI (Left/Right)
1 x DI (Mono) Sampler-Bass
1 x DI (Mono) Trigger-Drums (Kickdrum, Snare)
We need a Sidechain Compression on Sampler-Bass and Trigger-Drums Signal.
e.g. DBX 266 XL
Synth:
1 x DI (Mono)

Reverb/Delay/Distortion:

1 x AUX on both Vocal Mic and Side Snare Mic SEND to Stage (!)
1 x Di Box (RETURN)

(Bassamp: 1 x DI OUT / we provide)

Monitors:

1 x Monitors min. 300 watts / best possible soundquality for the Bassplayer (signal: Sampler, Vocals, Synth; on big/loud stages additional: drums + bass)
Drummer has IN EAR Monitoring with submixer (needs jack/xlr signal from FOH with Drums, Sampler, Vocals, Bass, Synth, Effects).

Other stuff:

1 x Drum carpet/mat
1 x GOOD VIBRATIONS TO PERFORM A GOOD SHOW TOGETHER !!!

IMPORTANT:

We need a soundengineer, who mixes up our sound during the show!
